Aswath Damodaran, distinguished author, Professor of Finance, and David Margolis, Teaching Fellow at the NYU Stern School of Business, have delivered the newest edition of Applied Corporate Finance. This readable text provides the practical advice students and practitioners need rather than a sole

concentration on debate theory, assumptions, or models. Like no other text of its kind, Applied Corporate Finance, 4th Edition applies corporate finance to real companies. It now contains six real-world core companies to study and follow. Business decisions are classified for students into three groups: investment, financing, and dividend decisions.

Get one step closer to becoming a Florida general contractor in 2021 with a prep course designed by Upstryve to help you conquer the required Business and Finance examination.-100's of practice questions and answers-test-taking techniques and practice exams-Book overviews.Covered topics include contracting business, managing administrative duties, managing trade operations, conducting accounting functions, managing human resources, complying with government regulationThe Business and Finance exam is a requirement for all types of contractors to become licensed in the State of Florida.
