Where do babies come from? The question every parent dreads hearing has finally fallen from the lips of six year old Ava Banks, the curious, precocious little girl that you fell in love with in Ignite. Jeremy and Sierra, normally blunt as can be, struggle to find the right words to answer her. So instead, they rewind sixteen years to that one fateful day where a game of Seven Minutes in Heaven inevitably led to life-long romance filled with laughter, love, and many, many mishaps along the way. Falling in love with your best friend? It's the most incredible thing in the world. Let's just hope it lasts. When the world comes crashing down around you, can even the strongest relationship withstand great tragedy? Stay tuned for lots of laughs, teenage awkwardness, a few tears, and most of all, mullets. Because what good love story doesn't do business in the front, and party in the back?

Branson Wellington? The name, my name, is usually followed by fucking prick or self-serving bastard, and I can't say I haven't earned those titles. It's true. I'm not the good guy. I'm not the boy next door. I'm definitely not your Prince fucking Charming. Not even close. And I never wanted to be. Until her. The

day I pulled her from the wreckage was the day that my life changed. Who would have thought that one little lie had the power to throw two lives so off course? Love has never been in the cards for me, but now that she's here, I have no idea how I'm ever going to let her go. Even if I don't deserve her. Because like I said, I'm a self-serving bastard and some things never change.

Notorious rockstar, guitarist, biker, Prez, heart-stealing bad boy. I fit many labels and have been called every name in the book by women who don't get what they want; me. I couldn't care less, I live by my own rules and take what I want. Things take a spin when a woman doesn't worship the ground I walk on but instead flat out refuses me. The rocker life isn't for everyone, neither is the biker life; good thing I thrive in both worlds and won't back down for anything or anyone. Especially when it involves an intriguing woman. She might be on the run from a past filled with death and fear, but it holds no place in the future I have in mind for the both of us. If we still have one after the music fades, the lights come on, and the screams are silenced.

A professor's one-night stand with a bull rider leads to a wild ride when they meet again in a sizzling romance by the New York Times bestselling author. A single look at the leggy blonde in the stands and rodeo cowboy Tucker Jenkins is ready to buck all night long. It's time to forget all about his cheating ex and his usual hands-off policy. It's a care-free night of unbridled passion: no strings attached—and no contact info exchanged. An English professor from the East Coast, Becca Hart isn't your average buckle bunny. But no advanced degree could prepare her for Tuck's moves in the arena—or in bed. But most shocking of all is when she finds herself sitting across from him at her first Oklahoma State University staff meeting. Once they've reconnected, Tuck knows it's all about holding on. Now he just has to

convince Becca that a rough start out of the chute doesn't mean they can't go the distance. "A sweet and hot hero you'll want to keep around for longer than one night!"—Lorelei James New York Times bestselling contemporary western romance author of the Rough Riders and Blacktop Cowboys series.

Liam Walsh is just a roommate. Maybe if Charlie St. James repeats it enough, she'll stop lusting after him. Not that it matters how she feels anyway, because Liam will always see her as one of the boys. Hell, he's the one who gave her the nickname Charlie as a joke. Well, the joke's on her. Now that she is confined to less than 1,000 square feet with him, she can't stop thinking about how it would feel to get just a little bit closer. Charlie St. James is off limits. She's been Liam Walsh's best friend since grade school. He thought it wouldn't be a big deal to let her crash with him when she needed a place to stay, but he was dead wrong. Knowing only a thin wall separates them when they sleep, that she's naked in the shower while he lays in bed fantasizing about her, is unbearable. When their cozy two bedroom goes from friend zone to war zone, they'll either burn up the sheets or go down in flames.

She's my best friend's little sister with a body made for sin. I'm a big, burly ex-soldier that shouldn't even give her a second glance. She's a decade younger than me and seductive without trying. I'm struggling through burnout and hiding out from the entire world. When we both hide out at the same cabin far away from everyone else, a mutual attraction blooms between us. I know it's wrong, but it's impossible to stop touching her once I start. And worse, I don't want to let her go...

Triple Star Ranch, #1 Where there's smoke, there's fire. . .and passion that won't be denied. The child of a gypsy and fey, small-town veterinarian Dr. Anastasia Brannon has always hidden her magic for fear of

ridicule. A red-hot encounter with the new PI in town makes their attraction impossible to deny. Throwing caution to the wind, she indulges her desires but keeps her secrets close. A man with a shady past and secrets of his own, Howl Raven uses his feral talents and tracking skills to make a living, doing his best to lay low and hide the curse that haunts him every month. So far, so good. . .until an uncontrollable shift outside the full moon leaves him the victim of a werewolf hunter. When she finds the enigmatic investigator wounded in the woods near her cabin during a storm, Ana provides medical care on instinct. She may be the only one who can banish the wolf from Howl's blood, but at what cost? **CONTENT WARNING:** Contains a brief, mostly off-page, violent scene which may disturb some readers. Violence, strong language and graphic love scenes. 20,000 Words

When Knox Wellington opens the door to Charlie Davenport, he's not expecting the fiery brunette with whiskey colored eyes and a feisty personality. Sparks fly immediately, even though their initial meeting is nothing but hostile. Their chemistry is undeniable, but the chip on Knox's shoulder threatens to destroy any hope of him wooing the sweet, southern volunteer sent to help with his rehabilitation. Little does he know she's no Southern Belle, as she gives as good as she can take. As unexpected circumstances push them closer together, heads butt, patience is tested, and flames ignite as they dance around their mutual attraction, both of them jaded from broken pasts. They've both been burned before, so when their feelings of lust, desire, and wanting are inflamed in the heat of the moment, will they finally be able to get over the pain of the past or will their relationship be reduced to ashes before it can ever really begin? *While this book is a standalone, characters from Ignite, book 1, will appear in Knox's story.

Once upon a time, girl met boy and a love story began. Their future was assured until tragedy struck and deceptions were made. There are consequences to every action, and the Consequences of Deception are always the most punishing. Sloane Evans lost nearly everyone that she's ever loved, but losing Killian Brandt left a scar that never healed. Four and a half years after turning his back on her, Killian steps back into Sloane's life in the most shocking of ways, giving her no choice but to abandon her life and go with him. Why would a man buy a woman that he hates? Not everything is as it appears. Love is beautiful, revenge is ugly, and lies destroy lives. What are the Consequences of Deception?

“The Last Letter is a haunting, heartbreaking and ultimately inspirational love story.”—InTouch Weekly Beckett, If you're reading this, well, you know the last-letter drill. You made it. I didn't. Get off the guilt train, because I know if there was any chance you could have saved me, you would have. I need one thing from you: get out of the army and get to Telluride. My little sister Ella's raising the twins alone. She's too independent and won't accept help easily, but she has lost our grandmother, our parents, and now me. It's too much for anyone to endure. It's not fair. And here's the kicker: there's something else you don't know that's tearing her family apart. She's going to need help. So if I'm gone, that means I can't be there for Ella. I can't help them through this. But you can. So I'm begging you, as my best friend, go take care of my sister, my family. Please don't make her go through it alone.
Ryan
