Michael Hawkins is mature, rich, and drop-dead sexy. He is also gay. And for some strange reason, he wants me to be his pretend girlfriend in exchange for a big sum of money. He has one condition though: I cannot get close to a man or be seen with one during the one year I'm contracted with him. I thought it'd be a piece of cake until I met his two grown-up, gloriously handsome sons, who won't take no for an answer. Including from me.

I'll not fall for their cheap tricks even if it means I'll have to close my eyes each time I see them. And each time I close my eyes, I imagine their naked bodies doing sinful things to mine. God help me before my physical urges get the best of me, and the contract blows up in my face.

The PURSUIT Series will stir your heart and get your blood pumping, as you follow the romantic adventures of Adam Garnett. Adam Garnett has been known for his utterly good looks, brilliance at closing multimillion-dollar business deals, and failed attempts at seducing his boss, Taylor Doheny: The beautiful widow of Adam's best friend. Three years after her husband's death, Taylor Doheny is still determined to keep her heart locked away from men, particularly the ultimate flirt and notorious womanizer Adam Garnett. She had better take care; his

ravishing words, sweet promises, and provocative gestures are threatening to break through her defenses and irrevocably get under her skin. When Adam risks his life to rescue her during a vicious assault, Taylor can't find it in her to ignore his broiling desire and obsessive lust for her. Will she be able to leave the past behind and open up her heart to Adam, despite the real danger of having her already fragile emotions crushed?

The dream I thought I was living in turns out to be the worst nightmare of my life. What Michael wants from me is more than posing as his girlfriend but he won't tell me why he hired me in the first place. I witness ugliness and abuse everywhere I turn. There is only one person who can rescue me from this hell. Zane. But he won't do it for free. Just like his father, he's out to take revenge and inflict pain.

only half a year ago, now I'm down to living on pennies. No more weekend escapades to Aspen or skinny-dipping in Barcelona for me. No more security guards or private chauffeurs. My designer clothes and exclusive jewelry are all gone. My life turned upside down when my father was charged for a crime he didn't commit; a bomb explosion that took the lives of twelve people in the heart of Los Angeles. Hope comes in the form of a gorgeous man and a deal I have no alternative but to accept. Ethan Koenig, a mysterious businessman I haven't heard of before, offers me a helping hand that comes with conditions...conditions that send fear into my heart and delicious shivers down my body. Suspiciously familiar with my father's case, Ethan leads me toward dark secrets that go way beyond the bomb explosion. With each new revelation, I realize the man who's

helping me might be the one behind it all. By the time I try to escape, it's too late. My heart is irrevocably lost to the man whose one and only purpose in life is to take revenge on my family.

If the persisting rumors are true, there's a secret list of the most suitable candidates drawn up singlehandedly by Zane's very capable assistant, Julie Connor.
