How do you spot an area poised for gentrification? Is spring or winter the best time to put your house on the market? Will a house on Swamp Road sell for less than one on Gingerbread Lane? The fact is that the rules of real estate have changed drastically over the past five years. To understand real estate in our fast-paced, technology-driven world, we need to toss out all of the outdated truisms and embrace today's brand new information. But how? Enter Zillow, the nation's #1 real estate website and mobile app. Thanks to its treasure trove of proprietary data and army of statisticians and data scientists, led by chief economist Stan Humphries, Zillow has been able to spot the trends and truths of today's housing market while acknowledging that a home is
